

**Associate of Science in Nursing
Point calculation worksheet
Direct admit from high school**

Applicant Name _____ A# _____

The selection process for Vincennes University's Associate of Science in Nursing Program is based on the premise that student selection is vital to the development and maintenance of a strong program. Admission is competitive and compliance with all criteria does not guarantee acceptance to the program. **Applicants should consult the Vincennes University catalog at www.vinu.edu/catalog for a complete listing of admission criteria.**

20% of ASN admission from Vincennes and Jasper Campuses will be guaranteed for applicant's direct from high school who apply by the priority deadline.

_____ Chemistry requirement is met by completion of 2 semesters of high school chemistry with a grade of C or an applicable dual credit/college level course.

Minimum test score requirements to qualify for English Composition I and Math with no co-requisite requirement. Course credit for ENGL 101/102 and or MATH 102/103 or higher will supersede test scores.

	High school GPA	Next Gen. Accuplacer	ACT	SAT (completed after 2016)
Reading	GPA 2.5+	250+	21+	23+ Evidence based 510+
Writing	GPA 2.5+	250+	18+	26+ Evidence based 510+
Math	Not applicable	QAS 255+ or AAF 240+	22+	560+

Points awarded based on highest score in each applicable category.

POINTS

	Possible points	Applicant scores
